

VIVIAN JOHNSTON MEMORIAL TROPHY

Every once in a while, a treasure is located and that was certainly the case when a previous resident, who now lives in Grande Prairie, Tricia McNally, found a picture of the 1st presentation of the Vivian Johnston Memorial Trophy to the Grand Challenge Winner.

In 1964, the Bezanson Ladies Curling Club was formed. Vivian, like many ladies in the area, loved to curl and socialize with the other curling enthusiasts. If I recall correctly, it was twice a week; Tuesdays and Thursdays. Sadly, Vivian passed away in 1974 however; the following winter Willis considered donating a trophy in Vivian's name to recognize her love of the game.

The very first winner was skip Patricia McNally's team that consisted of Eleanor Ford, Cheryl McNally and David Ames.

Presentation made by Willis Johnston in 1976.
